For Immediate Release

HMSHOST AND GENERAL MITCHELL INTERNATIONAL AIRPORT WELCOME CHILI'S TOO!

First new concept for updated concessions program opens to serve travelers

BETHESDA, MD –HMSHost Corporation, a world leader in dining and shopping in travel venues, and Milwaukee's General Mitchell International Airport (MKE) today announced the opening of ***Chili's Too!***, the first step in a revamping of the food and beverage line-up at the airport.

Milwaukee County Executive Scott Walker announced that Chili's Too! restaurant and bar is now open at Milwaukee County's General Mitchell International Airport. Walker said, "We are pleased to welcome Chili's Too! as we begin revamping the food and beverage line-up at the airport. Passengers can dine-in before their trip or pick up a to-go meal to take on their flight."

Chili's Too! is an extension of one of the world's best known casual dining brands – Chili's Grill and Bar—that has been tailored specifically for travelers on-the-go. HMSHost's expertise brings the recognized Chili's atmosphere and innovative menu of fresh salads and exciting entrees to MKE's travelers. The new restaurant is located post-security in Concourse C.

HMSHost's Vice President of Business Development, Joe Waller said, "Chili's Too! is perfect for the General Mitchell Airport. Whether the traveler is a weary road warrior looking for something that reminds him or her of home or a family traveling on their annual vacation, Chili's comfortable atmosphere and good food will make their day better."

The MKE Chili's Too! casual dining environment has a little something for everyone from popular Chili's entrees to favorite bar selections. The menu of breakfast, lunch and dinner offerings features creative Southwestern flavors such as the Breakfast Tacos, Salmon with Garlic & Herbs and the Firegrilled Chicken Fajitas, fresh salads including the Mesquite Chicken Salad, and the famous Big Mouth Burger selection. Chili's Too! menu also includes well-known specialty drinks such as the Margarita Presidente.

General Mitchell International Airport is owned and operated by Milwaukee County. For the 12 months ending in June 2009, approximately 7.9 million travelers passed through MKE. In November, Southwest Airlines will begin operation of 12 daily flights from MKE to six destinations.
