### **HMSHost Unveils Eagerly Anticipated New Dining Brands at Dayton International Airport**

**BETHESDA, MD** – HMSHost Corporation, a world leader in travel dining and shopping, and the City of Dayton today celebrated the opening of three new food and beverage brands at Dayton International Airport (DAY). The enhancements to the airport's concessions program are the result of a five-year contract extension awarded to HMSHost last year.

Said Iftikhar Ahmad, Director of Aviation for the City of Dayton, "HMSHost has delivered on its promise to make the traveler's day better at Dayton International Airport. These new restaurant brands are what travelers told us they want, and we are very pleased to offer them to pre and post security visitors, whether they're arriving or departing the City of Dayton."

Post-security travelers to Concourse C are enjoying two new options, including, **Starbucks Coffee**, the finest purveyor of coffee in the world and the brand that coffee drinkers rely on for exceptional quality, Starbucks offers DAY passengers fast and convenient access to their favorite beverages -- including espresso-based drinks, brewed coffees and Frappuccinos® -- in addition to a variety of fresh pastries, sandwiches and salads. A popular airport destination, Starbucks is always a traveler's top choice.

**12<sup>th</sup> Fairway Bar & Grill** caters to the golf aficionado and features murals of area golf courses. This full service restaurant blends the sophistication of a European golf clubhouse and the sensibility of an American bar and grill. Menu options include a selection of breakfast, lunch and dinner items such as traditional sandwiches, entrées and salads, plus a full bar specializing in unique scotch selections. Golf enthusiasts and travelers alike will find something to please on 12<sup>th</sup> Fairway's menu.

On Concourse B, post security, **Quiznos Sub** offers Dayton travelers a variety of healthy menu choices and the ability to "tailor" their sandwiches. Along with toasty, overstuffed subway sandwiches, packed full with the finest deli meats and fresh vegetables, menu selections include freshly packaged grab-and-go salads, such as Classic Cobb, Chicken Caesar and Roasted Chicken with Honey Mustard. A "comfort food" menu includes chicken noodle soup, corn chowder and chili.

Pre-security, local favorite **Boston Stoker Gourmet Coffee** has updated its existing main terminal location and now offers travelers an expanded menu and a new seating area. Dayton's premiere coffee brand, airport travelers are also enjoying the brand's signature collection of coffees, including the best selling Custom House Blend.

“An airport known as the birthplace of aviation deserves to be distinguished by excellence in service to travelers, highlighted by an outstanding food and beverage concessions program. We are privileged to partner with Dayton International Airport to provide its travelers such an experience with the dining brands they prefer,” said Stephen Douglas, vice president, business development, HMSHost.
